

March 20, 2025 DWEIC Minutes

Meeting commenced: 3:15 PM

Meeting ended: 4:20 PM

Attendees: J. Jolicoeur, N. Cole, T. Hosler, S. Ghelman, C. Sferlazza, C. Conway, S. McCarty, C. Zales

1. Evidence for Strategic Plan
 - CL 3 – Attendance numbers – attendance information for quarter 2 was shared.

- CL8 – S&H plan progress - STEP program and high school students completed their first set of anti-bullying presentations to both Glasgow and Momot grades K-2. The second

round will occur on April 8th for Oak and MOmot grades 3-5. The BRAVES pilot for our new innovative course for next year has started. We have 20 high school students participating in being trained for our first delivery of SEL from high school students to elementary students. There will be 6 days of rotations for these presentations to occur in the months of March, April and May.

- CL10 – IDEA Plan – this plan has been put on hold to identify how the equity work can be completed and still be in alignment with NYS and Federal regulations. School Counsel is assisting in this process.
 - CL11 - Create and implement learning opportunities for staff to increase awareness and knowledge regarding mental health and behavioral issues for our students – Opportunities where this has been a focus include: Student Support Personnel monthly meetings, TCIS training, and de-escalation training. A budget proposal has been forwarded to ask for PBIS coaches to be implemented at each building to assist with behavioral/social/emotional management.
 - SE8 - Run participation rosters and then have student association members tap those who aren't signed up to do anything. These participation numbers for the spring will be compared to those in the winter to see if the attempted responses to increase student participation have been impactful. The responses include: highlight clubs at monthly advisory – PHS, define and describe each club – SMS and PHS, expand club offerings – SMS. Sign-ups end on March 21st so this will be placed on the next agenda for report outs.
 - SE13 - Add four (4) new community partnerships with local organizations and businesses and Increase the number of students involved in community partnerships. No action taken
 - SE14 – Increase number of students involved with community partners. No action taken.
 - TL5 – Collaboration of professional staff – opportunities to build collaborative experiences include: student writing check ins by grade level/department, early release grade level and department meetings, cross-district work sessions, PIC Superintendent's Day, coaching opportunities, New Teacher Chit Chat, reading pilot trainings and meetings, Student Support Personnel monthly meetings, Related Service Provider meetings, and Circle Train the Trainers.
 - TL6 – Professional Job Embedded Proficiencies - The Vector training platform has had training videos and information uploaded to train all adults in the programs necessary to complete professional responsibilities.
2. April Engagement Event – The Committee has decided to ask The Gratto Family entertainers to perform on an evening for all PCSD families. We will also ask high school clubs who may want to fundraise to provide refreshments. Carrie will reach out to the Gratto family for a response.
 3. CL14 – SIP Expectations and SDM – Next agenda
 4. Other

Respectfully,

Carrie Zales
Assistant Superintendent of Curriculum & Instruction
